SKELETON

BEGINNER's MODE

Lollipops are pre-made.

Class A: Drums.

A screenshot of a web browser showing the official website for the artist Madeon. The URL 'madeon.fr' is visible in the address bar. The page features a dark background with a stylized landscape of mountains and a large central diamond-shaped grid composed of colored squares (blue, teal, purple) set against a translucent gray rectangular overlay. The Madeon logo, consisting of the word 'madeon' in lowercase and 'L R V E N + V R E' below it, is positioned at the top center. To the left, there is a 'BUY ALBUM' button and a 'SHARE' button. To the right, there are three diamond-shaped links labeled 'INFO', 'TOUR DATES', and 'STREAM MUSIC'. At the bottom center, the text 'WE MADE THIS' is displayed.

Class B: Bass.

A screenshot of a website for the artist Madeon. The page has a dark blue background with a landscape of mountains and a body of water. In the center is a large, semi-transparent diamond shape divided into a grid of smaller squares. Some squares are red, while others are grey or blue. Below the diamond is the text "WE MADE THIS". At the top of the page, there is a navigation bar with icons for back, forward, and search, followed by the URL "madeon.fr" and volume/refresh controls. On the right side, there are three diamond-shaped buttons labeled "INFO", "TOUR DATES", and "STREAM MUSIC". On the left side, there are two diamond-shaped buttons labeled "BUY ALBUM" and "SHARE MIX". A "STOP" button is located in the bottom right corner.

Class C: Sounds.

A screenshot of a web browser displaying the official website for Madeon's "Adventure Machine". The page features a dark background with a stylized landscape of mountains and a central diamond-shaped loop editor. The editor consists of a grid of colored squares (green, blue, red) arranged in a diamond pattern, used for creating and playing back loops. The website includes navigation links for album purchase, tour dates, and streaming, along with sharing and stopping options.
